About ACSII:

MISSION

- To connect, empower, and elevate African and Caribbean communities globally by fostering strategic partnerships, driving innovation, and advancing economic, social, and cultural development through high-impact dialogue, collaboration and education.

VISION

- We envision a world where Africa and the Caribbean are recognised not as aid recipients but as leaders in innovation, sustainability, and economy. We provide the necessary frameworks to achieve this goal.

OBJECTIVES

Foster Strategic Partnerships between governments, businesses, and organisations.

Mobilise investment capital for sustainable development.

Empower emerging leaders through education and mentorship.

Advance Reparative Justice through dialogue and frameworks.

Facilitate dialogue on circular economy, and inclusive finance.

These objectives reflect our commitment to building a more equitable and sustainable global ecosystem. By connecting diverse stakeholders and leveraging collective expertise, we aim to drive systemic change that uplifts communities, accelerates innovation, and ensures that economic growth aligns with social and environmental responsibility. Our work champions collaboration, inclusion, and accountability; recognising that meaningful progress depends on shared vision, shared value, and shared action. **ACSII is - a capital mobiliser, a project pipeline generator, a platform for development finance.**

Tiers of Membership:

ACSII Membership is intentionally structured across five tiers to reflect varying levels of engagement, influence, and opportunity.

Each tier is designed to **align with your industry** and where you are in your growth journey – from early-stage exploration to institutional leadership and policy influence.
